IMPROVING PERFORMANCE AND PRODUCTIVITY

IM460

Intelligent Mailing Solutions for
Performance and Productivity

HASLER
America's better choice.®

INCREASED PRODUCTIVITY WITH DIFFERENTIAL WEIGHING

Process your mail quickly and easily. Weighing and rating your mail is fast and accurate when using differential weighing technology. Simply place all your mixed mail on the weighing platform, remove an envelope, and the correct rate is calculated automatically. And with "Smart Start", each time an envelope is removed, the IM460 is ready to process your mail.

CONTROL MAILING COSTS AND MAINTAIN ACCURATE ACCOUNTING

Achieve real savings, and effectively monitor the bottom line, by controlling postal expenditures in your mail center. Track usage and postal costs by department and establish individual budgets with pre-set limits and automatic alerts. Access information from your desktop and generate reports to analyze departmental, mail class and time-period data, or customize your own reports.

SIMPLE, ERROR-PROOF PROCESSING

Operation is so simple and easy to navigate it is virtually error-proof. The reduction in keystrokes lets you process mail in a few simple steps. The IM Rate Wizard helps you select the correct mail class and combine special services for cost effective and accurate mailing in full compliance with USPS requirements.

MANAGE YOUR MAILING OPERATIONS MORE EFFECTIVELY

Online access takes the hassle out of managing your mailing operations. Stay up to date on new rate changes through automatic downloads of the latest USPS postal rates. Simplify business processes by receiving "low ink" alerts via e-mail for timely reordering. Eliminate postage prepayment through convenient "download postage now, pay later" capability. And, qualify for discounted rates when using USPS Special Services electronically.
